Back to the Future

2018 marked the next evolution in the Windsurfer journey with the adoption of the new 'LT' board.

A modern update featuring a lightweight epoxy hull with enhanced volume, the LT delivers improved performance whilst supporting inexpensive one

design races where the emphasis is on skill and tactics rather than equipment.
www.windsurferclassaus.com

Tips & Tricks

The great thing about the Windsurfer is its simplicity.

Even so there are a few things to do that will enhance your enjoyment of the board.

Spending a little time in the set-up, preparation and maintenance will make sure you get the best performance and long life out of your gear.

Setup

Initial Setup

Get your new baby sorted out of the box.

A comprehensive guide on how to assemble your LT for the first time.

Racing Tips & Tuning

Ready to race? Looks simple enough eh?

The big challenge is to get the most out of one sail size in all conditions - mast base position?, rig setup?, technique?

Get some more advanced advice from some of the World's best... (By the way they are based right here in Oz - the Australian fleet is red hot!)

LT Setup & Tuning

Watch a recorded clinic conducted by 2019 overall men's World Champion Nick Bez takes a comprehensive look at how he sets up his gear and then onto technique and ideas for getting the most out of your equipment.

For those new to the Class also some good coverage of how events are scored and the types of races conducted.

It's long (over two hours) but well worth a watch:

| | |
|-------------------------|-------------------|
| Intro, Class & Racing | 0:00 - 24:46 |
| Preparation | 24:50 - 1:02:50 |
| Board & Rig setup | 1:03 - 1:46:25 |
| On Water - Technique | 1:46:30 - 2:13:30 |
| Summary - Key Learnings | 2:13:38 - 2:17:00 |

You can also download the clinic as a .pdf (which has embedded links to the various videos as well)

LT - One Page Guides

Want the short version? Here are some summary thoughts from various top LT sailors.

- Download the Tim Gourelay guide (lightweight World Champion 2019) - 68kgs

Event Management Guidelines
Windsurfer Regattas

On the Water
One of the benefits of the Windsurfer Class is that the class can race from 3 knots to 25+, on flat water. Four disciplines are part of the Windsurfer regatta.

Course Racing
Traditional, tactical and tight. Windward/Leeward or Triangle courses. 20-25 minute target times. The most hotly contested discipline.

Slalom
Fast & Furious fun. Very short (5-7 minute) course, multiple gybes. Small head knockout - first 50% advance through.

Marathon
Persistence and Pain. A long distance test over a few hours. All in beach or boat start, on water or beach.

Freestyle
Three minutes of razzle dazzle wowing the judges. Tricks, flips, rail-rides and more in a seamless sequence.

Depending on time available one or more disciplines may be included.

Course racing is the staple (and most highly contested) of the regatta. All State Championship Windsurfer Class events are primarily focus. In most cases only our State Champions.

At Nationals all 4 disciplines are scheduled over 3 days. The regattas are run 'on call' meaning there is no fixed schedule based on conditions.

Typically this involves 8-10 course races, double slalom, and a marathon. Freestyle is excluded from the regatta.

Event Management Guidelines
Course Racing

Course Length Guidance

- Introduction of LT has increased leg lengths as the boards are at least 20% faster than previous over 7 knots of wind speed.
- Leg length data in nm.
- Better to set the course short for first race and then lengthen it for subsequent races.
- Sea state impacts times - flat water = faster.

Windsurfer Class Race Length Statistics - LT
2018 Windsurfer State Champs - PYC - Race Stats

| Start Time | Wind knots | Course | Time |
|--------------------------|------------|--------------|-------|
| 01 | 10.20 | 5 | 11:05 |
| 02 | 11.05 | 6-8 | 11:55 |
| 03 | 11.55 | 6-7.5 | 12:35 |
| 04 | 12.35 | 9-10 | 13:15 |
| 05 | 14.00 | 9-11 | 14:00 |
| 06 | 14.50 | 10-12 | 14:50 |
| 07 | 15.25 | 12 | 15:25 |
| Max wind strength | | 12-15 | |
| 15-18 | | | |
| 18 knots plus | | | |

Start Line Length
Minimum = 10 board lengths = ~35 metres
Adjust for number of boards in fleet to start x 2 m

Finish Line Length
Approx. 6 board lengths = 20 metres max

Back to Back Races
Maximum of 4 (ideally 3) races back to back before

Event Management Guidelines
Slalom

General
High spectator appeal - try to set course as close to shore as possible.

Start Sequence

- Upcoming heat posted on Start boat
- 1 minute start sequence
- Heat number removed
- Heat feet hot to start until all boards finished and placings recorded (confirmed onto ladder)

4 MARKS
Course: Start - 1 - 2 - 3 - Start (Gate) - 1 - 2 - 3 - 4 - Finish
Lap 1 = F, Lap 2 = M

Course Length Guidance
Very short! The focus is on board handling. Target time 5-7 minutes
Leg length ~0.04 - 0.08nm

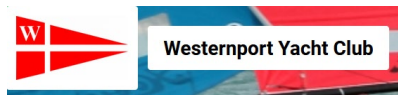

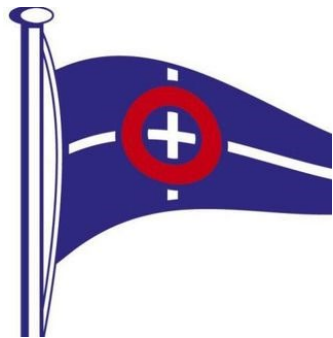

Start Line Length
Short = 3-4 board lengths = ~14 - 20 metres

Finish Line Length
Super Short = 1.5 board lengths = ~6 metres

Windsurfer Class Association of Australia
Published by Nick Bez · March 8

WoW...
A shout out to all the Women on Windsurfers out there.
One of the fantastic things about our Class is its universal appeal and we've got a great array of females all around the country and across the globe enjoying the LT - socially and at the highest levels of racing.
Two key objectives of the Windsurfer Class - Australia over the past years are to increase Youth and Female participation.
And with the leadership of female members, our State Reps and supporting Yacht Clubs around the country opportunities are being seen.

Vote on Incorporation

Please vote on the future structure for the Windsurfer Class Association of Australia:

Timeline

By latest December 2023

Actions

1. Form sub-committee
2. Progress formalities including review of model rules / constitution
3. Recommend final approach to full committee
4. Initiate incorporation proceedings

2023/24 Objectives

1. Support the IWCA with a kick ass home Worlds
2. Getting more people into the Windsurfer Class - in particular youth and women
3. Build out the fun vibe with more innovative formats and opportunities to race and socialize - team racing, adventure sails and more

‘Virtual’ freestyle

WINDSURFER WORLDS 2023 PERTH - AUSTRALIA

IWCA has jurisdiction

WCAA focus on info sharing, promotion and to ensure we get a massive Aussie fleet.

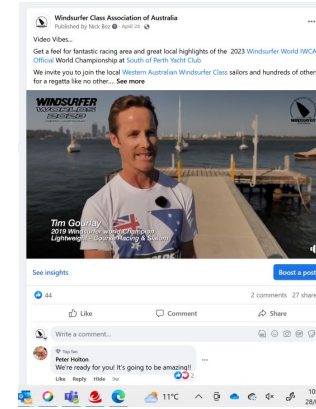

Compliance with AWA insurance requirements for all competitors

There will be no separate Nats in 2023 – results taken from Worlds
Next Nats 2024 - NSW

1. Assist IWCA / SoPYC on admin such as NOR, Class Rules etc.
2. Co-ordinate board transport and volunteers
3. Australian and international promotion including funding promo videos
4. Sponsorship support

5. Team kit

6. Training / racing opportunities

112

entries by the deadline
