

# Windsurfer Class National Championships 2023

## Reserved and Discounted Accommodation Options

Lake Cootharaba Sailing Club, the home of the 2022/23 Nationals.

45 minutes from the Sunshine Coast airport and 20 minutes from Noosa.

In January common conditions range from 8-18 knots from the northeast or the southeast, the prevailing wind directions that time of the year. So, we should see some excellent racing.

There are 3 areas to launch from depending on your accommodation option:

1. At Lake Cootharaba Sailing Club.  
Here, in front of the clubhouse and race headquarters, is the main launch beach. Parking is a little limited right out front, but you will find plenty of parking only a street back from the beach. Local sailors and competitors staying in Noosa will launch from here.
2. Boreen Point Campground.  
If you are camping here, you can leave your gear rigged up at your campsite and sail from the beach. It's a 5-minute sail or 10-minute walk to the sailing club from this location.
3. Habitat Noosa.  
From this campground and glamping site, there is a large beach to rig and launch from. The distance to the race site is about the same distance as from Boreen Point Campground depending on wind direction. This location is a 7-10 minute drive to the sailing club. However, we will relay information if postponement flags are up at the club etc.

**IMPORTANT – BOOK YOUR ACCOMODATION ASAP**

[Watch our video on the site and accommodation](#)

Information on 3 accommodation options are below.

We have secured some discounts for competitors so book now to secure your spot as this time of year is very busy!

There is no discount at Boreen Point but it is already very affordable being a Noosa Council-run site.

We have secured quite a few unpowered sites and a handful of powered sites here as they usually book out months before at that time of year so you will need to call to book your camp spot (details below).

We look forward to seeing you here for some fun competition and plenty of social activities for everyone to enjoy. See you in January!

# Boreen Point Campground

Boreen Point, Lake Cootharaba  
07 5485 3244

<https://www.noosaholidayparks.com.au/boreen-point>

This is close to the action and very affordable for those wanting to camp.

Due to this campground being very popular during the school holidays, we have secured a large number of sites for competitors. If you go to the website, you will see nothing available for that period.

**You must call the campground directly on 07 5485 3244 and mention the **Windsurfer National Championships** to have a spot released to you.**

These will be held exclusively until September 1 and then be opened up to public release.

Most of the sites available for us are unpowered sites. If you require a powered site, please book early as there are a very limited number.
